WELCOME TO OUR COMMUNITY

If you or a loved one has been diagnosed with neurofibromatosis (NF), you are not alone. We are here to offer information, connection, and support—every step of the way.

A non-profit health organization, our mission is to bring hope to those affected by neurofibromatosis and allied disorders.

Whether it's a meaningful conversation with a fellow caregiver or NF patient, a word of encouragement from our team, or access to valuable resources, clinical trials, and studies—we're here for you. You don't have to face this journey alone.

WHAT WE DO

✓ PEER SUPPORT

The Matched for Hope program connects you with trained ambassadors—people who have faced similar challenges who will offer guidance and encouragement.

✓ COMMUNITY CONNECTIONS

Online learning sessions, Tuesday Takeaways Sessions—mini learning workshops focused on various topics in NF and SWN. Community chats, and NF and SWN socials throughout the year.

✓ ADVOCACY & AWARENESS

NF awareness campaign for better access to care, federal research funding, and patient rights.

✓ EDUCATIONAL PROGRAMS

NF and SWN specific workshops, webinars, and printed materials to help you understand NF and empower you to advocate for yourself or your loved one.

✓ RESOURCES

NF camp tuition and NF scholarships for college or trade school.

✓ FIND-A-DOCTOR

NF Northeast can provide you with a list of doctors in your state or closest to you, who specialize in NF and SWN.

WHAT WE OFFER

✓ GUIDANCE

One-on-one support, resource navigation, and family outreach.

✓ CLINICAL TRIALS AND STUDIES

Information about current trials and the latest Institutional Review Board approved studies that you may choose to participate in.

✓ RESEARCH

NF Northeast grants and seed funding to NF Investigators worldwide totaling more than \$3 million since 1990.
